Subject: Follow Up from Sacramento Meeting

Good afternoon, David and Michele

During our last meeting in Sacramento to discuss the Arroyo Grande aquifer exemption application, you mentioned that a formal letter requesting additional information would be sent from EPA to DOGGR. To my knowledge, DOGGR has not received anything from the EPA on this issue as of yet. Having the paperwork to document the exact course of action needed to move ahead will assist all parties involved. Let me know how I can assist you with this endeavor and have a great day. I look forward to hearing from you.
